### Description:

A large development on **Karon Hill**, only 800 meters from Karon Beach, this complex of sea view condominiums has been conceptualized to resemble a 5-star hotel in Phuket. Located within comfortable reach of amenities and attractions, the valuable sea view property is set to be completed by March 2020 (1st Phase).

Located on top of a prime hill, 7 rai, site offering sea and mountain views, Utopia Karon Condominiums comprise 238 units of 1 and 2 bedrooms, between 34 and 68 sqm. The units come fully decorated with complimentary home appliances and shared outdoor areas, including a parking lot and two swimming pools, of which one is an infinity pool at the highest point of the property. Facilities include the Peak Ocean pool bar, spa, gym, and a restaurant on top of the hill with breathtaking views from one of the highest point in Karon.

Floor space of the units is optimally utilized to allow for large living spaces with generous views. The 1-bedroom apartments have ample bathroom, living room, kitchen and dining areas while still allowing for a larger than standard bedroom over 4.4m x 1.6m, as well as a large outdoor terrace with jacuzzi. The 2-bedroom units flow over double that space, offering two en suite bedrooms, separate dining room and terrace with jacuzzi.
