Description:

Partners with many years of experience in construction have decided to establish the company **Black Sea Tower**.

The task of the company was to create a product that would focus on consumers who were interested in investing in construction.

The company started a 15-storey multifunctional multi-storey building on the first line of the Batumi coast in the most developed tourist place.

At Lech and Maria Kaczynski N.19, the company began construction of a 15-storey multi-purpose building. Construction is underway under the new regulations and standards.

All materials used in construction are sent to the appropriate laboratory for examination before use. All materials purchased are ISO certified.

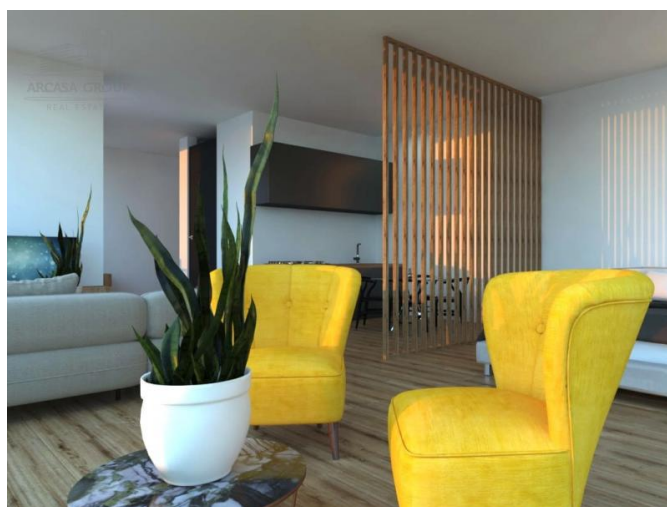

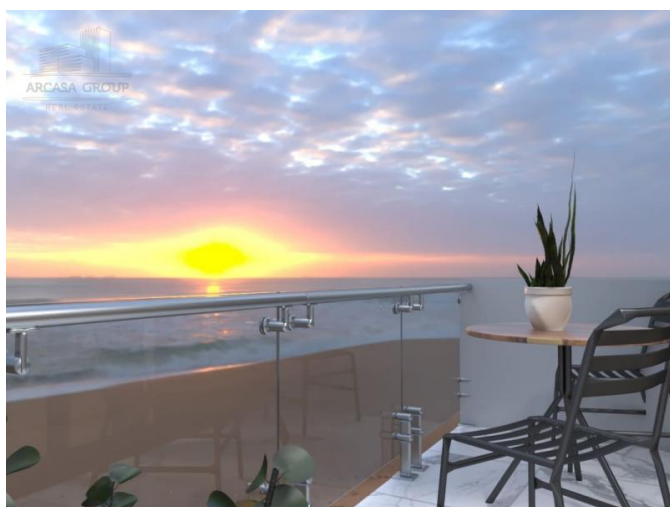

The completed building will be equipped with a modern fire-fighting system, 2 pieces with a 1600 kg elevator and an evacuation ladder.

Buy an apartment and become a resident of the premium class apartment – Black Sea Tower.

With a sea view, the most developed tourist destination.
