Description:

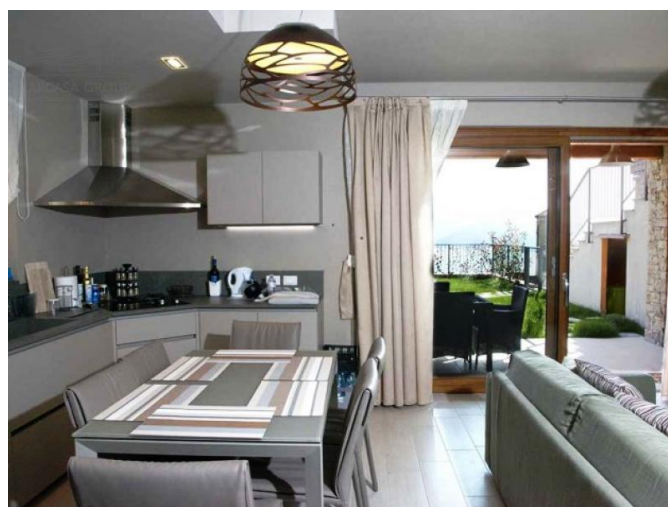

Green Residence Sebino is a project that was born in one of the most exclusive of **Lake Iseo**: we are in fact in Zorzino (BG).

Going from Riva di Solto to Solto Collina, the coast of the lake presents sweet grassy slopes exposed to the sun all year: here is the Green residence.

The project wants to offer solutions for both before a second house: energy savings and a pool area with adjacent fitness and relaxation are the kit to this unique solution.
