The project, located in the popular tourist village of Nikiti on the peninsula of Sithonia, Chalkidiki, consists of three buildings and offers 38 apartments of various sizes and layouts. Bomo Nikiti Apartments features a children's playground, pool and relaxation area. The apartments are decorated in light, calm colors, the layout is ergonomic and fully meets high standards. During the construction and decoration of apartments materials of high European quality are used.

Nikiti is a popular resort on the peninsula of Chalkidiki. The village is located 37 km from the village of Nea Moudania. The distance from Thessaloniki Airport is 90 km. The main Nikiti beach stretches for 4 km, its width is 10-15 m. The sea here is almost always calm, and the entrance to it is very gentle and flat. Ideal for families. Due to its characteristics and excellent conditions, each year this beach is awarded the blue flag of the EU.

In the village of Nikiti there is all the necessary infrastructure, which provides a comfortable stay and long-term accommodation all year round: shops, restaurants, cafes, taverns, recreation areas, pharmacies.

Nikiti also has wonderful air. The village is surrounded on one side by coniferous forest, on the other by the sea, thanks to this a wonderful and useful microclimate is created for residents!

Bomo Nikiti Apartments is a clever living space combining unrivaled comfort, sophisticated design and high technology.
