Description:

Settled on the northern headland of **Sahl Hasheesh** on **Egypt's Red Sea** coast, **Alcamar** is the destination's newest and most enchanting project yet. 30 meters above sea level, the 30,000 square meter project features 80% landscaping and water features and offers unparalleled and unobstructed sea views of the pristine Sahl Hasheesh bay.

Alcamar features more than 200 units including apartments ideal for any family, luxurious penthouses and exclusive townhouses. The project pairs modern convenience and traditional flair, vast sea views and cozy landscapes, peaceful relaxation and the key to the excitement of the Red Sea: it is a home to unwind, enjoy and explore.

The 30,000 sqm project is master planned to perfection: taking advantage of the natural elevation to ensure sea views for 92% of units. Alcamar features 200+ units in 2 phases with units ranging from studios, one- and two-bedroom apartments, penthouses and townhouses.

Alcamar Sahl Hasheesh is located 30 meters above sea level on the northern headland of Sahl Hasheesh making all the excitement and relaxation of the resort just within reach and the perfect place to enjoy the Red Sea's year-round sunshine.

Alcamar features 200 + units with 92% of units offering sea views.
